

# Hamilton College Pupils Celebrate 2020-21 Exam Results

■ Congratulations to all of our learners on another fantastic set of exam results for the year 2020/21. Our learners have achieved:

- 100% A-C pass rate for Advanced Highers (up from 93% last year)
- 98% A-C pass rate for Highers (up from 95% last year)
- 40% of S5 learners achieved 5 x A grades (up from 35% last year)
- 97% A-C pass rate for National 5 (up from 94% last year)

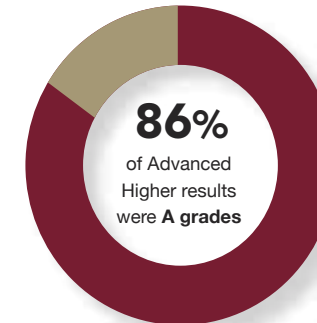

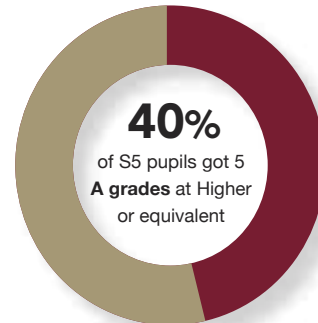

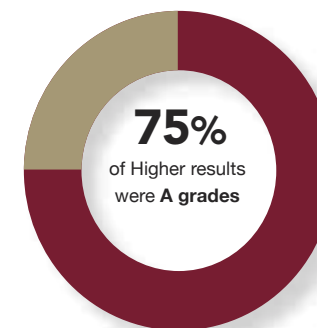

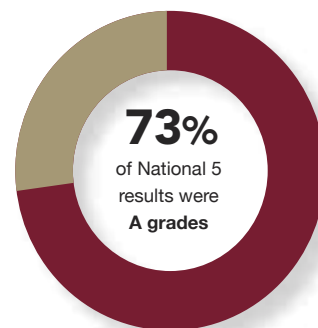

Headteacher Mr Richard Charman said: "We are absolutely delighted with this year's results which clearly demonstrate the hard work, tenacity and creativity of our teachers and learners, both of whom deserve the warmest praise for their wonderful achievements under challenging circumstances.

We have a number of learners who leave us with some astonishing results and I wish them every success in their next steps whether that be university, college, employment or apprenticeships. We are also looking forward to supporting those pupils who are continuing their journey with us as they progress on their unique pathway at Hamilton College."
