

# 3-5 Hamilton College Nursery Fees

As a Partnership Nursery, attending children will be able to access full funding for 1,140 hours per year of Nursery care and education meaning that for these hours, the parent will see no direct charge.

The following rates, in line with SLC funding, are used for are 3–5-year-old places.

<b>3-5 Full Day</b>	£55.20
<b>3-5 Half Day</b>	£27.60

As our Nursery is open 48 weeks per year (no Term Time places available), funding is applied at the rate of 23.75 hours per week -- or 2.5 days. Families are responsible for any bookings over the 2.5 days. Once children have received their funded place through the above application process, the following fee structure will therefore be affected:

Number of Sessions per week	Number of funded sessions	Chargeable Sessions	Cost per week to HC	Cost per month
4	4	0	0	0
5	5	0	0	0
6	5	1	£27.60	£110
7	5	2	£55.20	£220.80
8	5	3	£82.80	£331.20
9	5	4	£110.30	£441.20
10	5	5	£138	£552

Sessions are booked by full day or half day. If your child arrives late or you choose to collect your child early, you will be invoiced for the full day. Ad hoc bookings will be applied at the above rates. Funding cannot be applied to ad hoc bookings.

All fees charged, regardless of age of child, will be spread evenly over the period of 12 months. Fees are payable for and take into account (closure due to) Bank Holidays, Christmas and Staff training days.

In both morning and afternoon sessions, a meal and/or snack will be provided at no additional cost. Specialist lessons are also provided at no additional cost to parents.

The following applies to all 3-5 years bookings:

- Minimum sessions required per week = 4
- One session = Half Day
- Only one individual morning session is allowed per child unless agreed by the Admissions Manager.
- Non-Funded places are charged at the full day and half day rates above

In the event that your child's funding does not immediately start on the Monday following their third birthday, the 2-3-year-old rates will be applied until funding is granted if your child is currently enrolled in Hamilton College.
